DETAILED ACTION

1. This action is issued in response to applicant's amendment filed 7/17/06.
2. Claims 41-44 and 57-58 were amended, Claims 1-40, 45-56, and 56-64 were canceled.

No claims were added.

3. Claims 41-44, and 57-58 are allowed.

Allowable Subject Matter

Claims 41-44, 57-58 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record fails to disclose, suggest or teach the method including the steps of: monitoring a plurality of transactions to the first interface database, wherein each of the plurality of transactions store data in the first interface database, wherein monitoring the plurality of transactions comprises comparing the plurality of transactions against a predetermined transaction; detecting a match between one of the plurality of transactions to the first database and the predetermined transaction; generating said first message wherein said first message indicates that the first type of software application data has been stored in the first database by
